GOOD TO KNOW

Frequently Asked Questions

What documents and visa do Italian citizens need to enter Egypt?

Italian citizens travelling for tourism must carry either a passport valid for at least 6 months from arrival or an Italian Electronic Identity Card (CIE) valid for international travel with more than 6 months of remaining validity.

Travellers using a CIE must also bring two recent printed passport-size photographs.

Expired or extended identity documents are not accepted. Travellers of other nationalities should verify their specific entry requirements before departure.

Is a visa required for our stay in Sharm El-Sheikh?

For our stay from 10 to 15 November 2026, eligible Italian tourists remaining within the permitted South Sinai resort area may request the free Sinai Only entry stamp upon arrival at Sharm El-Sheikh International Airport.

The Sinai Only permission is valid for short tourist stays within the authorised area and does not allow travel to other parts of Egypt, including Cairo or Luxor.

Travellers planning excursions outside the permitted area need an ordinary tourist visa, costing USD 25. Italian authorities recommend obtaining the ordinary visa even for resort-only stays because Sinai Only restricts travel outside the area, including in emergencies.

Entry conditions are subject to Egyptian immigration authorities. Please check www.viaggiaresicuri.it before departure.

Where will we be staying?

The group will stay at Pickalbatros Luxury Suites & Villas in Sharm El-Sheikh from 10 to 15 November 2026 (5 nights). The resort will be the main location for the group's accommodation, company activities and special events.

Will airport transfers be provided?

Yes. Organised airport transfers are included for the scheduled group arrivals and departures. Our local representatives will welcome guests at Sharm El-Sheikh International Airport, outside the arrivals area, according to the arrival terminal of each flight. Please follow the instructions provided before departure.

What is the schedule for the company meeting?

The company meeting will take place on 11 November 2026, from 10:30 AM to 12:30 PM. The program includes a welcome and speeches by the Founder and Co-Founder. The exact meeting location within the resort will be communicated to participants.

Is dinner available for guests arriving late?

Yes. A Late Dinner option will be available from 11:00 PM on 10 November for guests arriving in the evening. The hotel reception and Guest Relations team will provide details during check-in.

What is planned for the White Party?

A special White Party dinner is scheduled for 14 November 2026 at the Lalazar Restaurant within the resort, starting at 7:30 PM. Guests are encouraged to wear white for the occasion. Please communicate any food allergies, intolerances or special dietary requirements in advance so that suitable arrangements can be requested.

Are there free days during the trip?

Yes. 12 and 13 November are free days, giving guests the opportunity to relax, enjoy the resort facilities or take part in optional excursions. Excursions are subject to availability and any applicable additional charges.

What time is hotel check-out?

Check-out is at 12:00 noon on 15 November 2026.

The All Inclusive service ends at check-out. Luggage storage will be available until departure.

Any request for a late check-out or additional resort services is subject to hotel availability and may involve extra charges.

Will I have access to mobile internet during the trip?

Yes. The resort have Wi-Fi in all common areas. Mobile connectivity depends on your existing telephone plan or any additional SIM/eSIM service arranged before departure. If you have requested a travel SIM/eSIM through the group arrangements, please refer to the activation instructions provided for your specific plan. International roaming charges may apply when using your usual mobile operator in Egypt.
